To whom it may concern,

At the request of Jessica Justice I am providing this letter of recommendation for employment.

I have known Jessica for seventeen years. Jess worked for me from 1998-2003 as an office assistant in my real estate Brokerage & Property Management Office. She then returned from 2008-2012 as a licensed real estate broker

I first met Jessica when she interviewed for an office assistant position at Beach Realty, Inc in 1998. Jessica worked in the office for five years, primarily assisting with the long term and short term property rentals. She never hesitated at any task and learned the office procedures quickly. She worked well with clients and vendors and has excellent written and verbal communication skills.

In 2007 Jessica contacted me to purchase a house. During this process she decided to obtain her real estate license and signed up as a Broker with Beach Realty, Inc. Jess also became our full time bookkeeper in 2007, for several years. Jessica did well as a real estate broker, and she became a much valued part of the sales team in a very difficult market, achieving our top sales award in 2009. Jessica proved she could work independently. She was well organized and thrived in a volatile environment closely monitored by state statute of Oregon Statute requirements. In addition to working in our Seaside office she very capably worked from other remote locations. She is loyal and always willing to do what is necessary to get the job done.

Late in 2011 Jessica moved to Independence to pursue a degree in higher education, and due to distance she asked that her broker's license be retired in 2012. I believe anything Jessica endeavors to do, she will be successful at.

I wish Jess every success with her future career. Please do not hesitate to call me with any further questions or concerns on my cell 503.440.0299.
